The Opportunity Questions

1. What am I most **excited** about today?
2. How can I go the **"extra mile"** for someone today?
3. What am I **reading** or **listening** to today that will enlighten me?
4. How can I **exercise** today to create greater energy?
5. Do I want to ignore these questions and suffer the consequences later?

Happy New Year lil bro

Happy New Year D,

I got your voicemail messages and your letters. Congrats on all your professional success. That's an incredible honor to be selected. And I had no idea that you knew Michael Spindler - I'm sorry to hear about his passing.

Mom wanted me to convey that she was touched by your letters and emails. She has always been proud of your accomplishments. She is very happy that you two have reconnected.

I'm on board to work with you to help Mom relocate to San Diego on a full-time basis and to sell her condo.

Email is the best way for me to keep in touch. I'm not the best at returning calls or texting.

Peace!
S

Offer to Mediate: *San Diego Superior Court Case #37-2021-00033119-CU-OR-CTL*

On August 25, 2021 at 1:02pm, the Lucas County Sheriff served Zubeida Moorjani at 6036 Quarrys Edge Lane, Sylvania, Ohio 43560-9877.

On September 12, 2021, Sunita Karnani informed me that "she moved to California."

While I consider this move to be an admission of liability, I deliver this Offer to Mediate. The mediation process should address stipulations which shall include but not be limited by the following:

1. Zubie Moorjani declares [redacted], San Diego, California 92131-3762 to be her permanent residence.

2. Seema Moorjani and Sunil Moorjani grant Deepak Moorjani with unlimited visitation rights to visit [redacted], San Diego, California 92131-3762.

3. Seema Moorjani and Sunil Moorjani deliver monthly updates to Deepak Moorjani including (i) a written summary of Zubeida Moorjani's health status and (ii) a monthly accounting of Zubeida Moorjani's living expenses.

4. Seema Moorjani and Sunil Moorjani produce the promissory notes signed by Sunil Moorjani relating to the purchase of 6323 Caminito del Cervato, San Diego, CA 92111 (APN #431-732-12-10). Additionally, Seema Moorjani and Sunil Moorjani sign a notarized certification on the repayment status of these promissory notes.

Previously, I granted an extension of the global response deadline to October 11, 2021. With this Offer to Mediate, I am granting an extension of the global response deadline to October 18, 2021.

I have decided to retain California counsel; however, I recommend that the principals (i.e. Deepak Moorjani, Seema Moorjani and Sunil Moorjani) schedule a 30 minute conference call to discuss the stipulations described herein during the week of September 27, 2021.
